Module 6 in the HECAT Series

Step 1: Scope and Sequence
Do you have one? What does it include?

Step 2: Assemble a team
Do you have one? Who should be part of it?

Step 3: Set up a review process
Who needs to be involved? What is the process?

Step 3: A Sample review process

Meeting 1: Share general curriculum information and assign homework to all team members (Chapters 4-5)

Meeting 2: Review findings from Chapters 4-5 and document final score; assign homework to review topic modules

Meeting 3: Review findings from topic modules and decide on final score
