SKILLS & SUBJECT AREA EXPERTISE

Jerrica Davis (she/her) is a public health practitioner with expertise in adolescent sexual and reproductive health and youth development. She is committed to ensuring all young people are equipped with the necessary tools to achieve optimal health. Jerrica has experience in group facilitation for young people and adults, providing technical and capacity-building assistance, and project management.

EDUCATION

THE GEORGE WASHINGTON UNIVERSITY, WASHINGTON, DC

Master of Public Health, 2018

- Thesis: Analyzing the Role of Racial Disparities in Child Abuse and Neglect Disproportionality Among Children in Washington, D.C.

THE UNIVERSITY OF NORTH CAROLINA AT GREENSBORO, GREENSBORO, NC

Bachelor of Science, Kinesiology, 2014

Bachelor of Arts, Spanish, 2014

PROFESSIONAL EXPERIENCE

SENIOR MANAGER, CAPACITY BUILDING

HEALTHY TEEN NETWORK, BALTIMORE, MD

2023 - PRESENT

Manage a variety of federally funded projects focused on supporting adolescent sexual health with a primary focus in Maryland and Baltimore. Key responsibilities include developing and monitoring detailed work plans and budgets, ensuring program activities are successfully implemented, and contributing to the development and maintenance of instructional designs, materials, and resources.

SENIOR MANAGER, ADOLESCENT HEALTH

NATIONAL COALITION OF STD DIRECTORS, WASHINGTON, DC

2021 - 2023

Managed federally funded projects to provide technical and capacity-building assistance and subject matter expertise to state leaders in education and health agencies, focusing on improving adolescent sexual health and wellbeing in key priority areas such as sexual health services, sexual health education, and safe and supportive environments. Key responsibilities included ensuring successful completion of deliverables, including toolkits, webinars, and trainings, developing and monitoring detailed workplans and budgets, establishing and maintaining partnerships with federal and local partners, and contributing to long-term strategic planning.

- Managed supplemental grant activities with a combined budget of \$790,000.

YOUTH DEVELOPMENT PROGRAM COORDINATOR

CRITTENTON SERVICES OF GREATER WASHINGTON, SILVER SPRING, MD

2018 - 2021

Delivered school-based comprehensive, medically accurate, and age-appropriate sexual health education programs to teen girls in under-resourced communities throughout the Washington, DC metro area. Key responsibilities included serving as a mentor and trusted adult for girls in grades 6-12, facilitating curriculum utilizing a social emotional learning

and trauma-informed framework, and establishing and maintaining partnerships with parents, partner organizations, and school faculty and staff.

- Retained a total of 75-100 girls in five group programs throughout the school year.
- Achieved a 100% promotion rate for girls moving to the next grade.

GRADUATE STUDENT INTERN

CHILDREN'S NATIONAL HOSPITAL, WASHINGTON, DC
2018

Completed a 120-hour graduate practicum with the Child Health Advocacy Institute (CHAI), examining and evaluating the Child Abuse and Bullying Prevention Alliance. Key responsibilities included researching current child abuse policies in Washington, DC; identifying gaps, opportunities, strengths, and weaknesses of the Child Abuse and Bullying Prevention Alliance; and developing recommendations for improvement.

- Developed a policy memo and report detailing findings and recommendations.
- Presented findings to stakeholders, including CHAI staff.
