You continued to use the wrong pronouns when you knew the right ones :(

You started a gay-straight alliance at school :)!

You taught a successful class on LGBTQ people and the harassment they can face:

You established yourself as a safe adult at school :)!

You taught the class that "they" can be used as a singular pronoun :)!

You saw an LGBTQ student being harassed, but ignored it :(

You gave the class inaccurate information about LGBTQ people:(

You continued to use the wrong pronouns when you knew the right ones :(

You taught a successful class on LGBTQ people and the harassment they can face:

You established yourself as a safe adult at school :)!

You taught the class that "they" can be used as a singular pronoun :)!
